10 Gauge
Length: 10 Ft.
Stranding: 19 x 30
O.D.: .175

UNIT PACKAGE: 1 Roll

Auveco.com e-Commerce Site Update: New Features

The response to the Auveco.com e-Commerce site has been tremendous. The volume of business thru the site significantly increases each week and based on user input **we continue to add functionality to the site** that makes it even more convenient to use.

Several users have told us that they use the site to input orders that include many lines. Often they are not able to complete entering the entire order in one sitting or, for some reason, do not have all the information needed to complete the order. To save them the effort of later having to rekey the order, we have added a **new feature to the site called "Wish List"**. **"Wish List" allows the user to name and save the contents of a Shopping Cart**. The user can call this list up at another session and edit or add to it, and then process the order.

"Wish List: is also useful for those "repeat orders" that may be generated by a customer. Compile the repeat order into a "Wish List" and save yourself the effort of keying those part numbers again and again. Bring up the saved list, edit or add to it and process into an order

We have also **added a feature to help you in those annoying instances when your internet connection drops or your system freezes**. If you have items in your shopping cart and you inadvertently get knocked out of the site, the web site will remember those items still in your cart when you get logged back in. You will see the following message....

Simply click "OK" and the items are added back into your Shopping Cart!

Remember **Auveco is still offering a 2% discount for all orders received via the e-Commerce site**. In today's tough economic times, what better way is there to save time and increase profit? Log on today at www.auveco.com, select the "Online Catalog/Ordering" link and start saving your valuable time and money.

Don't have a login yet? A quick call to Customer Service @ 1-800-354-9816 will get you all set!
