

AFTERMARKET RETAIL BODY HARDWARE DISPLAY

Auveco®

Maximize your product visibility and space with Auveco's retail merchandiser (Auveco Part #: AP448). Auveco's retail merchandiser is set up for customers to easily view and access products to complete their jobs. Reordering is made easy for employees. Simply scan the barcode behind the empty product slot to reorder.

AP448 FEATURES AND BENEFITS

Includes **448** of the fastest moving, most popular automotive body hardware and specialty fasteners

AuvecoPak part numbers are the same as standard Auveco part numbers with an "AP" prefix. Thus AP11146 is the AuvecoPak version of 11146

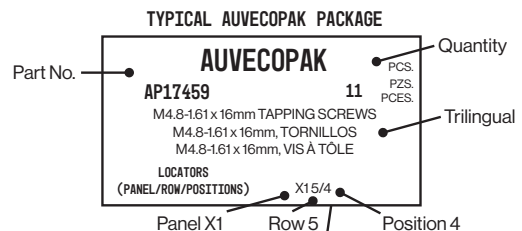

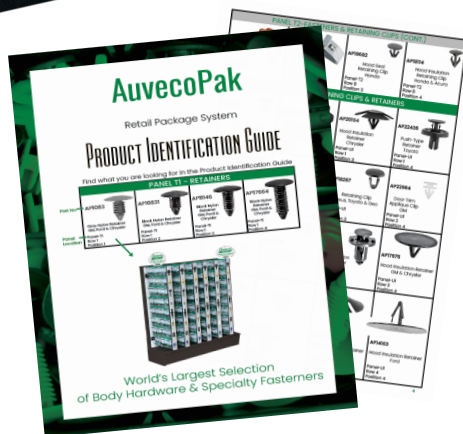

Includes two packages of each part number, for a total of 896 packages

Set-up is easy with panels "pre-dressed" with the AuvecoPaks already in place. Simply position the top and bottom brackets on a gondola or pegboard wall. Insert the panels into the brackets

Each of the 7 panels contain 32 part numbers per side

An individual panel measures
6-1/2" (wide) x 17-1/2" (front to back) x 44-1/2" (high)

The merchandiser fits onto a gondola with 48" x 48" of pegboard or on any pegboard wall

An AuvecoPak "Product Identification Guide" is provided with each merchandiser. The guide features actual size photos of all of the parts, along with complete descriptions, size dimensions and application information, as well as, each item's location (panel, row and position) on the merchandiser.
