

Auveco's FasTrack Web

Body Shop Cost Recovery System

What is FasTrack?

A web-based supplemental invoicing system that utilizes the OEM pricing structure for maximum reimbursement on collision repair items from insurance companies

Key Features

Supplemental Invoice Creation

Easily add items to an invoice using our FREE iOS/ Android app or a tethered or wireless scanner

CCC One® Integration

Seamlessly integrate FasTrack invoices back into your CCC One® program with our integration capability

Repair Kit Creation

Create kits or use our pre-made kits to add multiple items to an invoice at once

Add other "Shop Items" such as sandpaper, seam sealer, etc.

Typical Shop Reimbursement

Average monthly reimbursement billing at OEM dealer list price would be approximately

Small
\$500

Medium
\$1,500

Large
\$3,000
